## *What they have to say about FTECH*

**Andy Haslam**  
(Exe GM,  
Mineral  
Resources)

"I just wanted to compliment your company on the excellent workwear. Unlike other workwear, the clothing is surprisingly light weight, comfortable and cooler to wear. From a practical point of view, the clothing looks smart, durable and washes well."

"I wouldn't go back to cotton overalls after wearing FTECH brand. Keeps me dry, cool and comfortable all day long. I would change overalls 4 times a day with cotton whereas with FTECH I wear it the whole day with comfort. Great product."

**Charlie Stevens**  
(Wandoo Rig, off  
Karratha)

**Richard  
Woodgate**  
(Brunel)

"On days I was not wearing FTECH, I worked half as hard and sweated twice as much."
